

Shaun the Sheep CRAFT CORNER

MAKE YOUR OWN
FARMYARD
CUPCAKES

DECORATE YOUR DELICIOUS PARTY CUPCAKES WITH THESE FARMYARD CAKE DECORATIONS!

They're easy to make and you can even re-use them...if your guests don't take them home

YOU WILL NEED

- Scissors
- Cocktail sticks
- Sticky tape
- Paints/colouring pencils (optional)

INSTRUCTIONS

Choose a design to go on top of your cakes from the templates on sheet 2. You can either choose ready-coloured, or opt for a blank design to colour in yourself! Print and cut out your design using scissors - be careful!

Stick your character to the top of a cocktail stick (with the pointy end facing down) using a small piece of sticky tape.

Stick the pointy end of the stick into the top of your decorated cake and you're done!
(make sure to take out the stick before you eat the cake!)

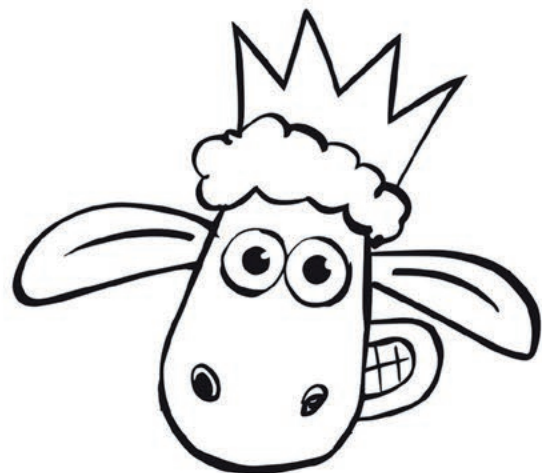

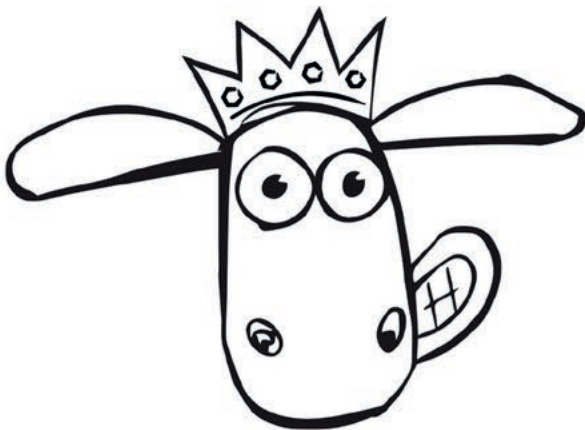

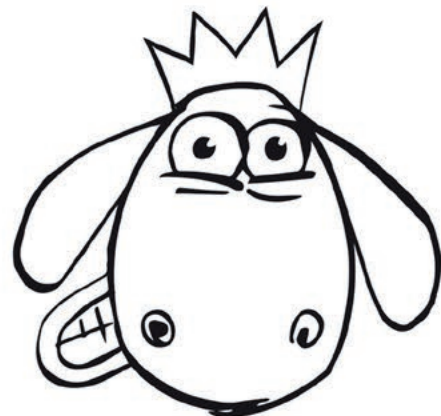

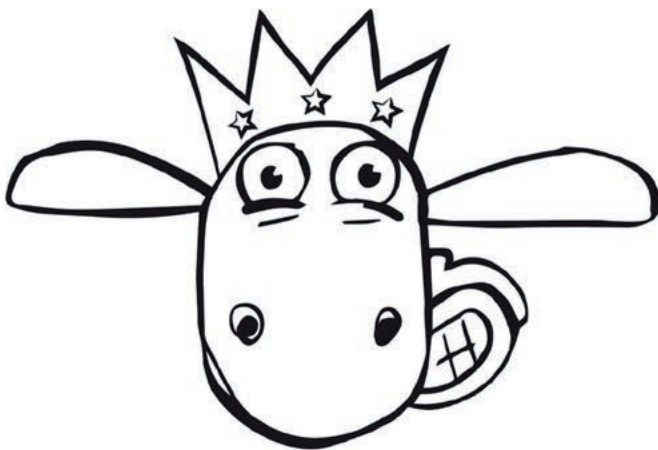

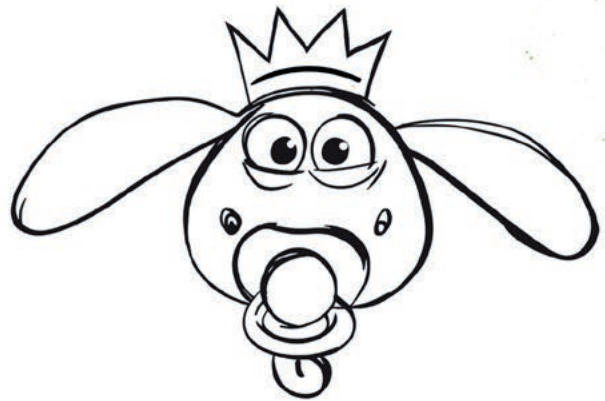

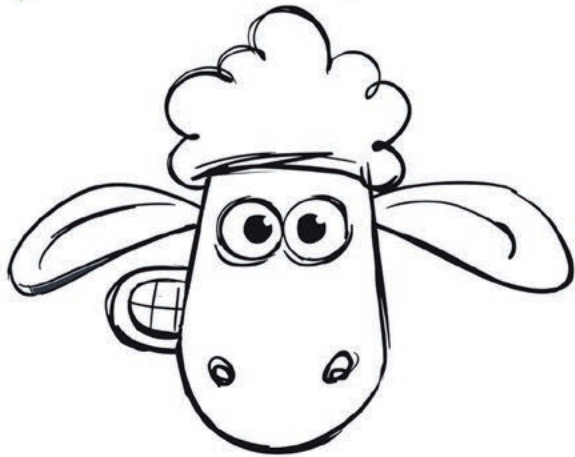

Repeat this process as many times as you need to decorate all your cakes.
(You could even mix and match the designs!)
